*"Each year over 3 million graduates and post-graduates are added to the Indian workforce according to NASSCOM. However, of these only 25% of technical graduates are considered actually employable. Industry today faces a shortage of appropriately skilled manpower."*

The need of the hour is more skilled workforce ready every year to minimize the gap between the demand and supply of the same. We feel the best time to nurture is during their initial academics. This test aims to be an eye opener for the candidates before its actually late and they land up in the market for jobs as blank.

Our objective is employability enhancement by bridging the gap between Academia and the Industry through our recruitment drive.

We appreciate your precious time input and are looking forward to hire budding aspirants from your organization.

## **E- APPRENTICESHIP '2017-18'**

As a graduate seeking a job in an engineering position the students are expected to face a large number of assessment tests. Almost all employers use these kinds of tests as part of their recruitment process so it is essential for the candidates to know what to expect. Our aptitude test exactly aims at portraying a similar picture to the students early in their academics. In addition, our aptitude test aims on enhancing the skill sets of candidates from the IT genre only.

## PROCEDURE TO PARTICIPATE-

The aptitude assessment test will be conducted online. The training and placement officer will register the college/University, for which he shall get a unique sponsor ID which is further to be distributed to the candidates at the time of online exam. The exam will be of 30 minutes duration. There will be no negative marking. There are no registration charges either. The students can participate through respective Training and Placement department of their College/University.

**Preferred internet browsers – Google Chrome, Mozilla Firefox**

**Students should be requested to fill the names as per their old certification/s.**

**How to apply? "e – Apprenticeship 2017-18"**
