PROCEDURE TO PARTICIPATE

The aptitude test will be conducted online. The Training and Placement Officer will register the College/University, for which he/she shall get a unique sponsor ID which is further to be distributed among Competent (HOD) and the Competent HOD will further distribute the unique sponsor ID among candidates at the time of the online test. The exam will be of 60 minutes duration. The students can participate through respective Department of their College/University with the cooperation of the Competent (HOD).

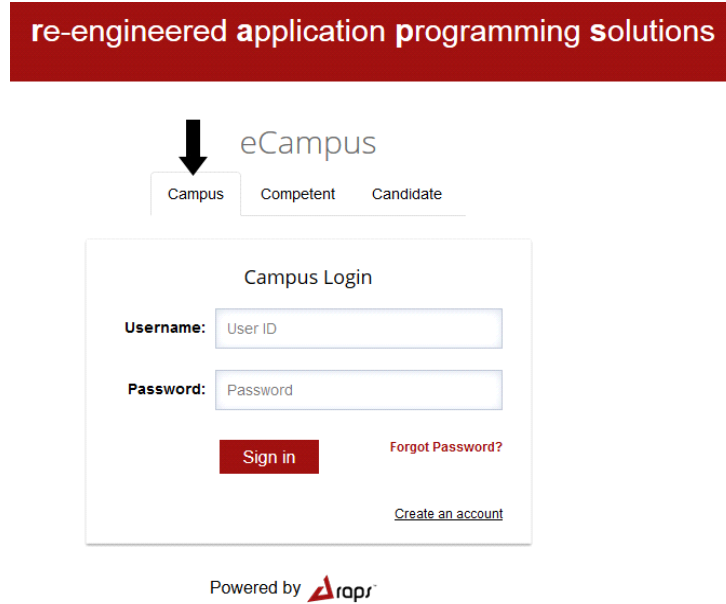

Steps to be performed:-

Step 1: Enter the URL <http://e3c.rapsitech.com/>. The Home page will appear. On the Home Page there are three sections; Campus, Competent and Candidate as shown below:

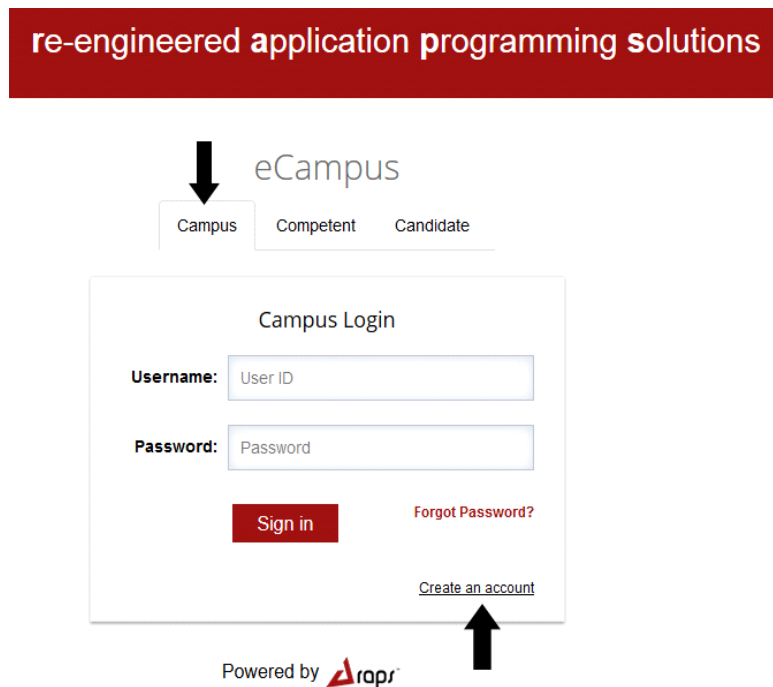

The image shows a screenshot of the eCampus website. At the top, there is a dark red banner with the text "re-engineered application programming solutions" in white. Below the banner, the "eCampus" logo is centered. Underneath the logo, there are three tabs: "Campus", "Competent", and "Candidate". The "Competent" tab is selected. Below the tabs, there is a "Competent Authority Login" form. The form has two input fields: "Username:" with "Email" as a placeholder and "Password:" with "Password" as a placeholder. Below the input fields, there is a red "Sign in" button and a link for "Forgot Password?". At the bottom right of the form, there is a link for "Create an account". Below the form, it says "Powered by" followed by the "raps" logo.

For Campus Registration:-

Step 2: Click on Campus Section.

Step 3: Click on create an account.

Step 4: In the sponsor ID section Training & Placement Officer has to enter the Unique Sponsor ID activated and provided by RAPS. TPO must fill all the necessary details with the unique sponsor ID.

At the bottom of the form, there is a CAPTCHA image showing the number '1810' and a 'Refresh' button. Below the CAPTCHA is a declaration checkbox: Declaration: I hereby declare, affirm and certify that - The above particulars furnished by me are true and correct. I have read, understood and accept the instructions, terms and policies of company. A 'REGISTER' button is located below the declaration.

Powered by RAPS

Note: The Candidate Sponsor ID will only work if it has been activated by the Competent Authority.

Step 13: Once the candidate is successfully registered. The Candidate can login by using his college ID / Roll No. in the candidate login section.

Step 14: Once the candidate has registered, he can login and begin the test.

The screenshot shows the 'Instructions' page on the RAPS iTech portal. The page is titled 'Instructions' and includes a 'View Profile' link in the top left corner and a 'Logout' link in the top right corner. The instructions are as follows:

- There are 60 questions in total.
- Total time for the exam would be 60 minutes which means that you have 1 minute for each question on an average.
- Each question is of 1 mark.
- There is no negative marking.
- 75% is the passing marks.
- There will 4 options for each question. You can skip the question by pressing the "SKIP" button below every respective question.
- Give your best for every question before proceeding as there is no previous/back button for returning to the last question.
- Exam will be submitted automatically if the total time expires.
- Please begin the exam by pressing the below given button "BEGIN TEST".

At the bottom of the instructions, there is a checkbox: I understand the above mentioned instructions. A 'BEGIN TEST' button is located below the checkbox.

Step 15: When the candidate will complete the test he can click on finish and submit the Test. The result will be displayed on the screen as the candidate will complete the test.

Note: The candidate has to keep one thing in mind that if he will skip the question the previous question will not appear on the screen again and will not be able to get back to the previous question and hence, question will remain unattempted.

Instructions: 60 minutes duration, 60 questions, each question carries one mark with no-negative marking.
