## E- APPRENTICESHIP

For graduate students seeking a job in a technical field is always accompanied by a large number of assessment tests. These tests are conducted by the employers as a part of their recruitment process to test the ability and academics knowledge of the candidates. Our aptitude test exactly aims at screening the skills, knowledge and efficiency of the technical graduates to find the deserving candidates who can be **employed** within **RAPS Group of Companies**.

### PROCEDURE TO PARTICIPATE-

The aptitude assessment test will be conducted online. The training and placement officer will register the college/University, for which he/she shall get a unique sponsor ID which is further to be distributed among candidates at the time of the online test. The exam will be of 30 minutes duration. The students can participate through respective Training and Placement department of their College/University.

**Students should be requested to fill the names as per their old certification/s.**
